

## INFORMATION SECURITY POLICY

---

### ***CTEK is a global market leader in vehicle charging solutions***

Established in Dalarna Sweden, CTEK is the leading global brand in battery charging solutions, most specifically vehicle charging.

CTEK offers products ranging from 12V & 24V battery chargers to charging solutions for electrical vehicles.

Products are sold via a carefully selected network of global distributors and retailers, as original equipment, supplied to more than 50 of the world's leading vehicle manufacturers and through charge point operators, property owners as well as other organizations and individuals providing EV charging infrastructure.

### CTEK

- Promotes a culture and awareness of information security, top-down throughout the company.
- Stays ahead of evolving threats by continuously managing risks and vulnerabilities.
- Takes information security into account in all phases of projects and operations, starting at the earliest possible stage of planning.
- Commits to fulfill all applicable security requirements from legal, customer and other stakeholders.
- Continuously improves our processes, methods and tools related to information security.
