CTEK APPOINTS HEAD OF ESG TO EXECUTIVE MANAGEMENT TEAM

CTEK, the leading global brand in vehicle charging solutions, has appointed Marcus Korsgren, Head of Environmental, Social & Governance (ESG) to its Executive Management Team.

Marcus Korsgren, 29 years old, joined CTEK in 2020 and has worked on a variety of corporate projects and initiatives, most recently as part of the team that delivered the Initial Public Offering (IPO) for the CTEK Group on the Nasdaq Stockholm. Marcus is also a team member of an initiative established to define, set and follow up impact measurement and corporate ESG targets.

Commenting on this appointment Eva Martinsson, HR Director for CTEK said "Marcus is an exciting new addition to our Executive Management Team. We take real pride in our unique culture based on a passion for innovation, as well as a deep commitment to supporting the transition to a greener mobility - this appointment reflects the strategic importance placed on ESG. We are also delighted to see one of our rising young stars driving this agenda."

Marcus Korsgren said "I am really looking forward to this new role and am proud to work for an organisation that places such a moral and economic importance on this subject. It feels extremely inspiring to be able to continue my journey at CTEK in the important areas of sustainability and corporate responsibility. I have learned a lot in a short time and there are lots of opportunities for development within this organization."

NOTES TO EDITORS

- Established in Dalarna Sweden, CTEK is the leading global brand in battery charging solutions, most specifically vehicle charging.
- CTEK offers products ranging from 12V and 24V battery chargers to charging solutions for electrical vehicles. CTEK's E-mobility solutions range from individual EV chargers to larger corporate and commercial installations with multiple charging stations, that require load balancing and integrate seamlessly with monitoring and payment equipment.
- CTEK's products are sold via a carefully selected network of global distributors and retailers: as original equipment; supplied to more than 50 of the world's leading vehicle manufacturers; and through charge point operators, property owners and other organisations/individuals providing EV charging infrastructure.
- CTEK takes pride in its unique culture based on a passion for innovation and a deep commitment to supporting the transition to a greener mobility, by adhering to industry leading ESG standards.
